Schools Serve Thanksgiving Meals Nov. 18, 19, 20

LAS CRUCES – Most LCPS schools will serve Thanksgiving lunch to their students during lunch periods on Thursday, November 19, 2009, said LCPS Nutrition Services Director Nancy Cathey.

That includes all high schools, all but one middle school and all but two elementary schools. The exceptions are Sierra Middle School, which will serve Thanksgiving lunch on Wednesday, November 18; and Mesilla Park and Tombaugh elementary schools, which will serve it on Friday, November 20, said Cathey.

Some schools will invite all parents and family members to join their students for Thanksgiving, at a cost of \$2.75 for each non-student. Other schools will invite the parents of some students to Thanksgiving lunch and the parents of remaining students to the winter holiday meal in December, said Cathey. Parents will be divided by grade levels.

Check with your child's school to find out if the Thanksgiving meal will be available to all parents or if the Thanksgiving and winter holiday meals will be split by grade level.
